

*Canadian Northern Society
Capturing History ~ Building Community
in Central Alberta!*

Camrose, Alberta

Many hours of hard work go into each station and park to make them the community centres they are. Volunteers, each year, help maintain and operate this unique collection of heritage railway stations and historic sites, in part through donations. The Canadian Northern Society is a registered charity, celebrating over 25 years preserving and presenting railway heritage. Become a member and receive the society's triannual newsletter, *The Canora Chronicle*.

If you are interested in becoming a board member, in research and future direction of our society, opportunities to volunteer, or for a list of events held throughout the summer months visit our website at

The Canadian Railway Hall of Fame is an on-line virtual industry hall of fame, celebrating achievement in the Canadian Railway Industry (www.railfame.ca). In conjunction with the efforts of the Canadian Railway Hall of Fame, the Canadian Northern Society of Big Valley, Alberta, has taken the lead to construct an outdoor pavilion that is visited by over 20,000 visitors who arrive in the community each year.

Your support of the Canadian Railway Hall of Fame Interpretive Pavilion will result in public acknowledgment on a specially developed interpretive sign erected at the site, and a tax-creditable receipt.
